TIME

REBUILD

Rock Granito is created, combining the knowledge with the understanding of modern ceramic history. A tailored project for all those who love interior design, colour and decoration.

From these three elements new chapter within Rock Granito Group is born, aiming to create a new style that can be exported all over the world. Just like the detailed and creative creations.

A Carved Change

Through Rock Granito's carving series, we've tried to create an impact that not only stays in your space but also on everyone's mind. In spite of being a classical pick, it is curated to make your space look like a natural wonder.

An intensively
carved surface.

For extreme simplicity
and sophistication.
